Summer, 2006, NEWSLETTER

“Once A Warrior, Always A Warrior”

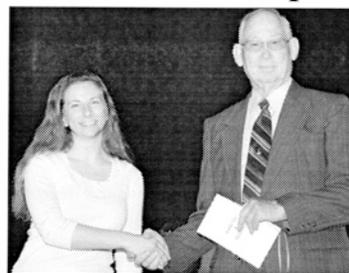

Hi Everyone!

Well, here we are, halfway through another year: one of reflecting; reviewing how we began; recognizing where we are now and how our goals have shifted.

In the beginning, a comprehensive **database** for all Alumni seemed like such a good idea. However, we quickly learned that the information we had was only as good as the input we received. I regularly receive calls from alumni seeking reunion information as well as address lists, which was data we had hoped to provide. It is what we set out to do in the beginning. Getting various class representatives to supply that information is critical, and so far that has not come about. If each of you could relate class activities to the association, it might solve that problem. At least it would be a step in the right direction. **Please give us a call if you can help.**

Happily, **fund raising** has been easier. Generosity stems from many sources throughout the community, as well as from individuals like you. We have even received a promise to match, dollar for dollar up to \$500.00, any contributions made to the scholarship fund, and that has been a tremendous help. Our fund is growing, and we presented three more students \$500.00 each toward furthering their education in

pursuit of a profession: technical or trade school, the arts, and elementary education. It is impressive to attend the FHS awards banquet and witness, first

NICK MORRIS / FOR THE NORTH COUNTY TIMES
Jim Grevatt presented the Patricia Klaviter Grevatt Scholarship to Fallbrook High School senior Chelsea Maruca during the recent awards ceremony.

hand, the tremendous amount of talent and perseverance displayed by our newest Warrior alumni as they graduate.

This past year, in addition to the 60 plus backpacks we supplied to FHS students who needed them, we made several **monetary presentations**. Rewarding students who display exemplary character is always a pleasure, and I was lucky enough to be the one to personally thank these deserving young men and women for “doing the right thing!”

DO THE RIGHT THING AWARDS

Jan Mahr Owen, President of Fallbrook Alumni Association, presents Angel Santiago with his check for \$50.00, for “doing the right thing!”

DONATIONS

In May, we were asked by the girl's gymnastic team for help in a project to raise enough money to purchase new floor mats. The old ones were "shot" and could no longer be used for

meets. The team had to host meets at other schools, which was costly. Because you have been so generous, we were able to help. Jim Grevatt made the presentation.

In August, we will once again pack the backpacks, but will combine this event with a new one. **On Sunday, August 20, 2006**, the Fallbrook Alumni Association will gather at Live Oak Park for a Picnic and Car Rally. At that time, those who attend will be able to watch the backpacks being filled for students: 3 in 1, **fun, food, and production!** Watch for more information, and please plan on attending. Maybe I will fi-

nally get to meet all of you! **THANK YOU SO VERY MUCH FOR YOUR GOOD WILL AND SUPPORT. IT REALLY DOES MAKE A DIFFERENCE!**

Jan Mahr Owen, President

BACKPACK PICNIC & CAR RALLY

Alumni Picnic, Car Rally and Backpack Packing all wrapped into ONE FUN SUNDAY!!!

August 20, 2006 from 11:00 AM to 3:00 PM
